

Sports Premium at Warwick Bridge School

The Sports Premium grant is ring-fenced and must be used to fund improvements to the provision of PE and sport for the benefit of pupils aged 5 – 11 years old, so that all pupils develop healthy lifestyles.

Allocations for the academic year 2018-19 are calculated using the number of pupils in Years 1 to 6, as recorded in the January 2018 census as follows:

- **Schools with 17 or more eligible pupils receive £16,000 plus £10 per eligible pupil**
- **Schools with 16 or fewer eligible pupils receive £1000 per eligible pupil**

Warwick Bridge Primary PE and Sports Grant Allocation is £16,990 for the academic year 2018 - 2019.

Spent so far this academic year:

1. Support from Secondary School/ Subscriptions	£341.50
2. Competition entries	£92
3. Specialist teachers/ provision/ CPD	£5997.50
4. Equipment	£99.36
5. Swimming	£1030
6. Transport	£2242.50

Total **£9802.86**

The allocation is in line with DfE guidance allocating 58.33% in the first instance and then the remaining 41.67% in April 2019.

Terms of the grant

Warwick Bridge School will be held to account over how they spend the grant and sport and PE will be assessed in future as part of the school's overall provision.

Impact

The school has benefitted from the grant in a number of ways.

1. Support from Secondary School - William Howard

We continue to receive the support from William Howard School in a number of ways. Miss Day has been proactive in attending Sports Coordinator meetings with Rosie Holliday at William Howard.

Pupils also take part in numerous competitive sporting activities arranged through the consortium. Sports Premium money enables pupils to attend these events. This academic year has seen Warwick Bridge pupils participating in the following consortium competitive sporting events:

- Six a side football tournament
- Netball tournament
- Swimming gala

- Cross country competitions
- Athletics
- Rounders tournament
- Key Steps Gymnastics

There have been a considerable number of festivals that the pupils can attend free of charge:

- Key Stage 1 Trampolining and Multi Skills Festival
- Key Stage 1 Movement/ Athletics Festival
- Trampolining and Badminton Festival – Years 5 and 6/ Years 3 and 4
- Lacrosse Festival – Years 3 and 4
- Football Festival – Years 5 and 6
- Rounders Festival – Years 3 and 4

These festivals provide pupils the opportunity to work with other students from primary schools in the consortium. These occasions enable Warwick Bridge children to meet future classmates, share ideas and learn from each other. For the Year 6 pupils it gives them the opportunity to take part in important transition activities.

2. Competition entries

As a school we have entered a number of competitions which we have had to pay for. We entered a 5-a-side football tournament which was enjoyed by both boys and girls from years 3 to 6. We also entered the Brampton Consortium Swimming Gala and took 12 children who all did really well. The children were from years 3 to 6 and we got into a number of finals and came second in the 25m breaststroke final. Furthermore, we entered the Key Steps competitions where all of our teams (1/2, 3/4, and 5/6) achieved some great scores. We also entered into a county gymnastics competition where again we did really well. Finally, we have had a number of children who took part in the Cumbrian Run and two Cross Country events.

3. ABC Sports / Specialist Dance Teacher/ Cricket Coaching/ Outdoor Education

Pupils from all our classes work with coaches on a variety of sports. The children have enjoyed coaching in:

- Football
- Basic Skills
- Multi sports
- Tag Rugby
- Dance
- Cricket
- Handball
- Gymnastics
- Netball
- Athletics
- Outdoor and Adventurous Activities

The pupils gain excellent experience in all these sports from trained coaches who hold a number of governing body coaching awards. These lessons also enable the pupils to experience work with people other than their class teacher. In this way they gain a wider experience of different sports.

Teachers and other adults attend these lessons and in turn gain new ideas to add to their own practice as part of their CPD.

ABC Sports also run an after-school club on a Wednesday. A number of pupils also attended a 6 week after-school cricket club on a Monday with Fraser Conn from Cumbria Cricket.

4. Equipment

After purchasing quite a lot of equipment last year, we did not see the need to purchase a lot this year.

We did purchase a gym wedge which was used in PE lessons and at our gymnastics club to support children when learning how to roll. This really helped many of our children and helped to contribute to the fantastic scores we achieved in the Key Steps Gymnastics competitions.

Due to some sponsorship and a scheme run by the Premier League, we were lucky enough to receive two brand new full football kits which replaced our very old previous football kits. Each kit has enough sets for 10 players and we have varying sizes. In order to keep the kits organised and so that they are easy to hand out and collect back in, individual sports bags were purchased. The new kits have made our children feel much prouder when out representing our school at competitions and it has also encouraged some new children to start playing.

5. Swimming

All children in years 3, 4, 5 and 6 have attended 10 weeks of swimming lessons at The Pools in Carlisle this year. Most children achieved their amber certificate with many achieving their green or blue certificate.

95% of our Year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

6. Transport

Money from the premium was used to pay transportation costs to and from sporting events and swimming. This enables children to attend and compete in a sporting event away from school grounds, regardless of their home transport status. This helps working parents.
