Warwick Bridge Primary School
Newsletter No 19
11th February 2022

Believe it or not we are now half way through the school year. When we come back after the half-term break we will be nearer to the summer holidays than we are to the start of the academic year. Time seems to fly past at times. We hope that you and your families enjoy the break and the children will come back rested and recuperated on Monday 21st February.

Staffing Updates

Early Years – We are pleased to welcome Miss Eve Cogan in to school. She will be working as an Apprentice with our youngest children in both the Nursery and Reception classes. We are sure that she will have a great time with all the children. We are also pleased to welcome Miss Anna Murray in to the Nursery class on a Thursday and Friday morning. Miss Murray will be volunteering with this class whilst she is at school.

Staff Covid Absences – We have had a few cases of Covid amongst the staff at school which has resulted in absences. The knock-on effect of this has seen other staff ensuring that all roles and duties are carried out in order to cover for absences. We are very fortunate to have such versatile and adaptable staff here at school. Everyone works for the good of the school and has the best interests of the pupils at heart.

Attendance

Well done to the Year 3/4 children in the Phoenix class – a 100% attendance is an excellent achievement and everyone should be very proud of themselves. Well done to other classes with good attendance results.

Letters Home

Warwick Bridge School is actively considering moving all correspondence with families online without paper copies of letters unless requested by families. It would be good to learn your views on this matter. Families may want to consider the printing aspect of returning forms to school. Some families may not have the access to the internet required in order to read correspondence. Let us know your views on this please by contacting school.

Gymnastics News

Huge congratulations to both our Year 1 Team and the Year 3/4 Team who took part in this week’s Key Steps Gymnastics Competition at Caldew School, Carlisle. The teams did very well indeed and all the pupils enjoyed themselves immensely. The pupils achieved tremendously well, with the Key Stage 1 pupils achieving a very creditable second place. The Year 3/4 team came third in their group. Both teams were up against some really big schools from Carlisle so it is an even better performance by both teams when seen in this light. Thank you to Mrs Broatch for all her hard work in preparing the teams and getting the gymnastics costumes ready for the children. Well done everyone.
