Outdoor and Adventurous Activity Week – 22-25 May 2023

We had a great week of OAA fun ranging from Archery to Trust Trails and Climbing to Orienteering. The children loved being in the outdoor environment and met the challenges that were presented to them. Lots of pictures are on the school Facebook page. We hope that the experiences enable the pupils to increase their resilience to certain tasks that may at first appear quite challenging.

Attendance

A fantastic attendance from both the Ladybirds and Grasshoppers see them almost neck and neck. Well done the Ladybirds for managing the best attendance last week.

Warm weather – sun cream, water and hats

Now that the warmer weather is here, please ensure your child has the correct sun tan lotion, a water bottle and sun hat. As part of our ongoing commitment to ensure the welfare of your children we ask that during the warmer weather, children come to school with a sun hat and that sun cream is to be applied in the morning *before* the children arrive at school. If you would like for your child to reapply sun cream in the afternoon, please provide a bottle of sun cream that is labelled with your child’s name. A water bottle is essential for your child to take on the extra fluids they need.
