### Staffing News

We are pleased to announce that Mrs Jayne Bone has been appointed as our new Year 2 teacher from September 2023. We look forward to working with them and the children in our present Year 1 class had the pleasure of being taught by Mrs Bone this week. We hope that she will be able to come in to school on a few more occasions before the end of term in order to spend more time with their new pupils. Further details about class structures for 2023-24 will be in a future newsletter.

### RotaKids News

We are pleased to say that at the last count the RotaKids had raised nearly £500 for Jigsaw children’s Hospice in Carlisle. This is a fantastic effort and one we are looking to add to during the summer term. We are looking forward to the bake sales at both Consultation Evenings (12<sup>th</sup> and 13<sup>th</sup> July) and also the contributions taken at the Warwick Bridge has got Talent show on Friday 14<sup>th</sup> July. Thank you everyone for your fantastic support and generosity.

### Ankoma Dream – Ghana visitors

We were very pleased to welcome four students from Ghana this week. They were from the Ghanaian town of Ankoma and have been visiting many schools in the Eden valley during their time in England. The children danced, sang and played drums with all the Warwick bridge children joining in. Thank you to Miss Hogarth for organising this. You can see a Facebook video of the children and the Ankoma visitors by clicking on the following link:

### Warm weather – sun cream, water and hats

Now that the warmer weather is here, please ensure your child has the correct sun tan lotion, a water bottle and sun hat. As part of our ongoing commitment to ensure the welfare of your children we ask that during the warmer weather, children come to school with a sun hat and that sun cream is to be applied in the morning *before* the children arrive at school. If you would like for your child to reapply sun cream in the afternoon, please provide a bottle of sun cream that is labelled with your child’s name. A water bottle is essential for your child to take on the extra fluids they need.

### Cricket at Wetheral

We have received an email Gayle Storey at the Family Connector project. She has informed us of a very exciting event for families in and around Carlisle. The **Connect and Play** project is aimed at families with children aged 4-10 and looks at providing a fun-filled hour of family time at Morton Community Centre. This will take place from 4pm on the 20<sup>th</sup> June. Come along for this free session of games, activities and crafts. Spaces are limited. Please book online at:
