Services For Children

Drawing and Talking

Drawing and Talking is a therapeutic way for a child to work through their past trauma in a safe environment. Children explore their trauma and feelings through their drawings with the support of a worker. This is a short-term intervention suitable for anyone aged 5+.

Wishes and Feelings

Wishes and Feelings is an 8 week 1:1 programme which supports children's emotional wellbeing. This is delivered through a range of different activities, discussion and games. The sessions are based on the child's individual needs covering topics such as worries, feelings and emotions, self-esteem, bullying and friendships. Suitable for children aged 6+

Happy to be Me

The aim of this programme is to develop children's self-esteem through a programme called 'Happy to Be me'. The programme increases interaction, communication skills, awareness of feelings and how these affect other people, working together in a group, showing empathy to others, explore why everyone is different, learn new skills, celebrate achievements, make new friends, play games and have fun.

Choose to Cope

Choose to Cope is a programme which is aimed at children aged 8 - 11 years. Your child may be experiencing a number of different issues that cause them distress. They may be feeling upset but are not sure why. They may find it hard to concentrate and become fidgety or restless. Your child will learn essential 'personal power' tools that they can use throughout their life.

LEGO Therapy

Our Brick Club is based on LEGO® therapy and is around collaborative play and communication in which children work together with their families to build LEGO® models. The aim of the group is to help children develop social interaction skills in a friendly, fun setting. Children will be able to practice key skills of collaboration, joint attention, sharing, turn taking, eye contact, communication, social problem-solving and compromise all whilst having fun and building some amazing models. Suitable for children aged 6+. Places by referral.

Finding Your Way

Finding your Way is a targeted programme which aims to support young people in exploring challenges they may face, to overcome difficult emotions through learning a range of strategies and life skills to challenge negative thoughts and improve motivation. We support young people in overcoming barriers by goal setting to support outcomes in improving their attendance and attainment in school.

Let's Connect

Let's Connect is for children who may need additional support in a range of areas. The programme, designed to give you information and strategies to help support your child, is delivered in collaboration with speech and language therapy, occupational therapy, early years team and children's learning and disabilities team.

Online Safety

Our online safety workshops will prepare you and your child for the potential dangers that exist in the current social media climate. We will discuss ways to stay safe online and organisations that can help should anything happen.

Decider Skills

Decider Skills helps you to recognise your thoughts, feelings and behaviours and learn how to manage these in a safe way. This six-week course can be delivered to children, young people and their families individually or as part of a group.

The Decider Skills are taught in a fun and memorable way and will promote effective communication between the whole family.
