### **Snack at Warwick Bridge School**

26<sup>th</sup> January 2024

Dear Parents and Carers

After the first part of the spring term trial, we have decided to look again at the snack provision in school. Staff have read the questionnaires from pupils, parents and carers and there is a significant number of children and adults who would prefer it if snack was reintroduced.

#### **Nursery, Reception and Year 1**

Parents can pay 50p a week for each child. This would provide your child with a suitable snack at mid-morning. They will also receive their free fruit at this time. Milk or water will also be provided.

#### **Year 2,3, 4, 5 and 6**

Pupils in these year groups will be able to bring in a healthy snack for mid-morning. This would consist of fruit or vegetables. Children in Year 2 will also receive free fruit. All children in these year groups are able to partake in the healthy food provided by the Coop as part of the Caboodle scheme.

By doing this, the school is mindful of the thoughts of both young and old. We are also very clear in that snacks for all year groups should be healthy.

A letter will be coming out in the coming days that will let you know how to pay for the snack if your child is in Nursery, Reception or Year 1. Payments will be made online once the system is set up so please do not send cash in to school.

Thank you for your support in this.

Yours sincerely

Mr M Ashton
