

Long Term Geography Overview – Warwick Bridge Primary School

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Nursery	What Geography might look like in the EYFS: - Role playing places they have visited – fire stations, doctors, etc. - Talking about similarities and differences between themselves and others. - Exploring the local area and talking about meaningful buildings. - Following instructions which include positional language. - Sharing books about our world, the environment and the weather. - Treasure hunts using simple maps. - Using programmable toys and planning a route. In addition to this, Reception will also be using Kapow to support the teaching of Understanding of the World through the units: exploring maps, outdoor adventures and around the world.					
Reception
