**Warwick Bridge Primary School**  
**Newsletter No 26**  
**Friday 1<sup>st</sup> May 2020**

Warm greetings to you all from everyone here at Warwick Bridge School. We trust that everyone is well at this time and managing to carry on with their Home Learning as much as possible. Parents and Carers have now become the teachers at home and this must be a challenging role to fulfil. We realise that the work sent home may be unfamiliar for many people and encourage you to contact staff as soon as possible if there is anything that you are not too sure about. There are a whole series of learning aids on the internet for those who can access them. What we would encourage you to do is make sure your child is actively engaged in a learning activity – if the work sent home by staff is difficult to access, let the teacher know and then occupy your child/ren with a different learning opportunity. If this lockdown period is teaching us anything it is to be creative in the most challenging of circumstances.

#### **Jaguar Class Art Work**

Huge congratulations to the pupils in Jaguar Class for their wonderful pieces of Art. Miss Hogarth was very pleased and proud to see such marvellous and creative pieces of work. You can see these fantastic creations on the school Facebook page.

#### **Pupil Work Online**

There have been great pieces of creative Lego work, stories, Art, DT and a wealth of other activities. Well done everyone – keep up your great work.

#### **Warwick Bridge School Childcare Hub**

The school is open for the children of parents/carers who are Key Workers in the Covid-19 Response. A number of children from schools in the Brampton Cluster have attended throughout the past few weeks. An addition to our Rainbow Banner is the bunting that is now on the school railings. These have messages for our highly respected key Workers across a wide range of professions.

#### **Home Learning**

All staff at Warwick Bridge School have organised learning for the pupils to do at home. The pupils will require access to the internet to do a lot of these activities. If you have trouble accessing the internet please telephone the school. There is someone in school to take your call if you can telephone between 9-11am each day. You can also leave a message on the school answerphone and this is monitored daily. If you are having problems printing materials let your class teacher know. The vast majority of work, however, does not need printing out at all. Children can work from the screen and write the answers to work on a lined or plain piece of paper. If you are unable to print any work please contact your class teacher and we can arrange work to be collected from school. Don't forget that you can upload work onto Class Dojo for the teachers to see.

**Class Dojo** – Teachers will be using Class Dojo in order to set work and send you messages. If you are not on Class Dojo please email the class teacher with your details so they can organise work being sent. Staff can be contacted on their school email address.

#### **WBS on Social Media**

There will be a series of messages from Mr Ashton available on Class Dojo in the coming days – please look out for these and share them with the children. Mr Walsh will also be reading a story on Facebook for everyone to enjoy. We are planning for other staff members to get involved in short clips on Facebook so look out for notifications.

#### **Lockerbie Manor Residential**

Parents and carers will now know that the residential is not going ahead this year. Year 6 families can obtain a full refund if you send Mrs Ridley your banking details – name of bank/building society, sort code and account number. Y5 pupils will be able to roll the residential payment forward to 2021 at the time of writing. We will let you know if this changes.

All the best for an enjoyable weekend

Mr M Ashton
